NO GMO:

All of our crops, including conventional and organic vegetables and herbs, are non GMO.

VISIT OUR WEBSITE:

www.peoriagardens.com is set up to be a source of information for you and your customers. There are pictures and descriptions of the plants that we grow as well as a secure wholesale only area where you can download our price, availability and barcode lists.

AVAILABILITY LIST:

The availability list is revised weekly and updated several times a week during the busy season. We send it regularly via fax or email and have it available on our website.

PLACING ORDERS:

Orders must be received by 10:00 am on the day before delivery, earlier is better. We encourage you to order via fax or email. Our fax number is 541-753-9439 and the order desk email is orders@peoriagardens.com. Simply use the availability list as an order form and send it back.

ORDER MINIMUM:

Minimum for most deliveries is 25 flats. Please inquire.

PACKING SLIPS AND INVOICES:

We will use a packing slip for customers with established accounts. Packing slips will list regular prices and any special pricing. Extended invoices reflecting discounts or order changes will be sent after delivery.

RACKS:

Racks are the property of Peoria Gardens, Inc. and must be returned to avoid additional charges.

DISCOUNTS:

Our discount is based on total purchases of finished plants for the previous year. Accounts must be current to receive these discounts.
